You don't lose clients because your work is bad — you lose them in the WhatsApp conversation. The slow reply. The naked price. The follow-up you never sent. The Client Closer fixes the money part of freelancing with a complete, copy-paste system.

This is a free preview. The complete product is delivered instantly after purchase.

What's inside the full version

- ✓ The Client Closer Playbook (2 premium PDFs — English + Arabic editions, each ending with all 46 scripts as a printable appendix) — the 8-step system: reply fast → qualify → price with a frame → propose → handle objections → follow up → close → onboard
- ✓ WhatsApp Script Vault (interactive HTML) — 46 ready scripts in Arabic AND English (92 bilingual messages) with one-tap copy buttons: first replies, pricing, objections ("too expensive", "free sample?", "the other guy is cheaper"), the 3-7-14 follow-up system, payment asks, delivery & review requests, and difficult situations (late payers, "pay with exposure", refunds). Works offline, on any phone.
- ✓ Freelance Pricing Calculator (HTML + Excel) — turn your income goal into your minimum hourly rate and 3-tier project prices in 30 seconds
- ✓ 1-Page Proposal Template (Word, AR + EN) — the five-block proposal that closes
- ✓ Service Contract Template (Word, AR + EN) — deposits, revisions, scope, ownership
